School Supplies/Pick up of materials: A list of suggested school supplies can be found on our school's website: <https://samsel.sayrevillek12.net/>. It is strongly suggested that a parent/guardian and the SUES student come to the SUES to pick up materials. Please try to follow the below schedule to assist us in social distancing. CDC approved face coverings must be worn. If you have more than one SUES child, you may choose one day to come and pick up materials for both. If you cannot make it on the assigned date, you may choose another date, but will ask for your patience in gathering the materials. Please find **your child's homeroom teacher's name** to identify the date of material pick up for your child. Please follow the directions that will be posted.

Preparing for virtual learning: Securing a workspace in your home will assist your child in staying organized. If possible, place a desk or table in your home for your child. If you have several children that will be working at a table, consider a home-made study carrel. Use a tri-fold board or box as a partition. These study carrels/partitions may be helpful to students who are easily distracted.

Student passwords: Prior to September 1st, student passwords will be reset. I have included two documents for your review. If you experience trouble with your child's password, please go to: <http://www.sayrevillek12.net/students> or email student.helpdesk@sayrevillek12.net for support.

Joining a Google classroom: Your child's teacher will email his/her google classroom code(s). Any additional classrooms (specials, TAG, ASI, etc., where applicable) in which your child needs to access will be communicated to them. Within this email blast, you will also find directions on joining a Google classroom.

Free/reduced lunch application: Families interested should use this link to apply each year: (<https://www.nlappscloud.com/District.aspx#loaded>). Directions for filling out the application can be found at www.sayrevillek12.net, Departments, Food Services. Please apply as soon as possible.

Back to School Night

"Back to School Night" will be held virtually this year. Teachers will post videos in their Google classrooms by 5 pm on September 21st.

As we move closer to Phase 2, additional information will be provided to you. If you would like to read the Samsel Upper Elementary School Restart of School Plan, Parent Edition, it may be found on our school's website. If you have any further questions, or need assistance, we may be reached at 732-316-4050.

Sincerely,
